

Cybersecurity standards and certification - the challenges

Nicholas Ferguson, Trust-IT Services

Coordinator, cyberwatching.eu

5 September, 2018

cyberwatching.eu – The European watch on Cybersecurity and Privacy

The screenshot shows the website's main navigation and service offerings. The header includes 'LOG OUT' and 'MY ACCOUNT'. The main navigation bar lists: CONCERTATION MEETING, STAKEHOLDERS, R&I WATCH, SME SERVICES, COMPLIANCE, NEWS & EVENTS, and ABOUT. The main content area features a blue background with the text: 'cyberwatching.eu is the European observatory of research and innovation in the field of cybersecurity and privacy'. Below this, a section titled 'cyberwatching.eu Services' is divided into two columns: 'Services & Results for R&I projects' and 'Services & Results for SMEs & organisations'. The R&I column includes 'OBSERVATORY' (108 projects), 'R&I SERVICE OFFERS' (40 offers), 'CONCERTATION', and 'TAXONOMY'. The SME column includes 'MARKETPLACE', 'SME END-USER CLUB', 'LEGAL TIPS', and 'CS&P CLUSTERS'.

Coming in
October 2018

- Cybersecurity & Privacy Marketplace
- SME validator and end-user club

R&I Projects

Small Business
